

No-Sew Fleece Throw Instructions:

Step 1: Cut

Layer printed panel on top of solid panel, wrong sides together. Cut a 5 inch square out of both layers at each corner.

Step 2: Fringe

Create fringe by cutting through both layers around all four sides. Make cuts 5 inches deep at 1 inch intervals.

Step 3: Tie

Join fabric layers by knotting the fringe together, using one strip from the printed panel and its corresponding strip from the solid panel.
